Presentation and Discussion Guidelines

As has happened so successfully at previous TMN meetings, all TMN members attending the meeting are encouraged to present on their company's practices/ lessons learnt relating to the meeting topics.

Each member will have approximately 30 minutes to present and discuss questions on the main topic and approximately 15 minutes to do the same for the secondary topic. Please come with some PowerPoint slides prepared for each. Based on the topics, please address the following areas in your presentations:

Main topic (Day 1)

‘Bridging the gap between R&D results and technology implementation’

- What are the particular challenges you face?
- How can these be overcome in order to accelerate technology implementation?
- What is the value in doing this?
- What alternative approaches are there? Please bring your ideas to discuss.
- Is a different approach required for the implementation of third party technology? Why?
- What do you find works well in this cost constrained part of the business cycle? Please provide examples from your company.
- What can we learn from other fast moving technology industries?

Supporting topic (Day 2):

Technology KPIs

- How do technology organisations measure their ability to identify, create, develop and implement technologies?
- What do you currently measure in terms of technology performance?
- What are your challenges with KPIs?
- How well do your KPIs support your corporate objectives and strategy?
- How do you measure whether you are improving year-on-year (internally and relative to your peers)?
- How do you measure whether you are efficient in meeting KPIs?

Map/ Directions

Hess Tower Parking Garage:

1501 Walker
Houston, TX 77010

Parking Access:

Visitor Parking: Entry and exit the garage from La Branch. If the visitor parking is full, you may choose from any of the surrounding surface lots. Parking validation is not available for surface lot parking.

Accessing the building:

From Parking Garage - take garage elevator or stairs to the 3rd level of the garage. Walk into the building via the sky bridge, headed toward the large windows, which is the reception area. The reception/security desk/stalls are located in front of the elevator banks.

Upon entry to the main floor of Hess Tower, check in at the reception desk and they will contact us to meet you in the reception area and escort you to the designated meeting room.

Visitor Parking Validation:

All visitor parking validation will be handled through the security/reception desk. When the guest is signing out, they will request and receive validation from the security desk personnel.
