Presentation and Discussion Guidelines

As has happened so successfully at previous TMN meetings, all TMN members attending the meeting are encouraged to present on their company's practices/ lessons learnt relating to the meeting topics.

This TMN meeting will focus on **“Technology hubs: how to manage innovation across continents and assets”**.

Each member will have approximately 45 minutes to present and discuss questions. Please come with some PowerPoint slides for your presentation. Based on the topic, please address the following areas in your presentation:

Technology hubs: how to manage innovation across continents and assets

- How does your company manage innovation across continents and assets?
- How do you rate your company's capabilities in doing this?
- How do you measure success in this area?
- What does 'technology hub' mean to you/your company?
- What are the benefits of having technology hubs, and the challenges?
- Where does your company have technology hubs, and why these locations?
- In your experience, what are the main impediments to effectively managing innovation across continents and assets?
- What can we learn from other sectors in this area?
